

Legal Policy

Conditions and terms for access to the web site

e-GEOS world wide web site and pages aims to provide a panoramic view of the company and Group and of their activities, but that without assuming any official character, on the terms and conditions specified here. Access to the site and acquisition of the materials and information contained in it constitute acceptance of the said conditions and terms. Those who do not intend to comply with these conditions and terms are invited not to access the site and not to download materials or information from it.

The configuration of the web site and its contents and materials (for example but not limited to: information, forecasts, data, images, characters, sound, figures, notes, text, opinions, analyses and charts) are the exclusive property of e-GEOS S.p.A. and rights relating to their use are reserved to the e-GEOS group and are subject to the protection provided by the applicable laws and regulations, including that of copyright, author's rights, trademarks, patents etc. The trademarks, logos and company names are the property of e-GEOS S.p.A. or of companies in the Group.

They cannot be utilised without the prior written consent of e-GEOS. In particular, the name of e-GEOS and those of Group companies and related information cannot be used by third parties without the prior written consent of e-GEOS.

In particular, any use for publicity and/or commercial purposes without consent is forbidden, even in the event that the third party is currently collaborating and/or in relationship with E-GEOS or other Group company in some way, including through links to the e-GEOS site or to the sites of other Group companies

Property rights - Limits to utilization

The information and materials contained in the web site may be transferred/downloaded or copied provided that such materials retain the copyright and/or other proprietary notice contained herein exclusively for personal ends and purposes. No material may be modified, edited or taken out of context such that its use creates a false or misleading statement or information, statements or actions of e-GEOS. Accordingly any name, trademark of copyright or web site content may not be used for advertising, publicity, economic and/or industrial use or purpose.

The trademarks, logos, and service marks

Limits of responsibility - Legal Disclaimers.

The information contained in this site is provided in the conviction in good faith of its accuracy and truth. However e-GEOS in no event will be liable to any party for any direct, indirect, special or consequential damages for any use of this web site, or on any other hyperlinked web site, including, without limitation, any lost profits, business interruption, loss of programs or other data on your information handling system or otherwise that may derive from any possible error or imprecision or failure to update information, or from use for whatever purpose of information obtained from the site.

Information e-GEOS publishes on its web site may contain references or cross references to e-GEOS specifications, projects, programs and services that are not announced or available in your country. Such references do not imply that e-GEOS intends to announce such specifications, projects, programs or services in your country.

Information on this web site may contain technical inaccuracies or typographical errors. Information may be changed or updated without notice. e-GEOS may make improvements and/or changes in the materials contained in or described on this web site at any time without notice. e-GEOS may also make changes in these terms and conditions without notice.

User is bound by such revisions and should therefore periodically visit this page to review the then current terms and conditions.

The user is therefore invited to verify the information obtained from the site, including from institutional sources, especially if such information is taken as the basis for decisions regarding actions or activities of an economic character.

Given the merely divulgation aims of the site and of the information contained in it, they cannot in any way constitute expectations or rights of any kind for third parties, and e-GEOS therefore reserves the right to make modifications and changes to them as also to modify or terminate the products, services and activities there described. Access to and use of the e-GEOS site presupposes that the user has checked the compatibility of the users own system and that no malfunctioning of the IT structures utilized will result from the connection. In no case will e-GEOS answer for damage caused in association with such connections, even in the presence of IT viruses or other causes and reserves the right to pursue, in the appropriate seat, any activity aimed at causing damage to the site or limiting its utilization.

e-GEOS make no representations or warranties, express or implied, including, but not limited to, warranties of merchantability, fitness for a particular purpose.

Links

The e-GEOS site contains links to third party sites. The existence of these links does not imply that e-GEOS sponsors or is affiliated to the owners of the linked sites. e-GEOS has not reviewed any or all of the web sites linked to this web site and is not responsible for the content of any off-site pages or any other web sites linked to this web site. Any non-e-GEOS web site is independent from e-GEOS, and e-GEOS has no control over the content on such web site.

In addition, a link to a non-e-GEOS web site does not mean that e-GEOS endorses and/or accepts any responsibility for the content, or the use, of such site. It is the user's responsibility to take precautions to ensure that whatever is selected is free of such items as viruses, worms, Trojan horses and other items of a destructive nature.

e-GEOS declines all responsibility for whatever is contained in the web sites of third parties to which there are links and warns users that all those who decide to visit a linked site do so at their own risk, therefore assuming the burden of adopting the necessary measures against viruses or other destructive elements.

Privacy

The data contained in the e-GEOS site do not contain sensitive data as defined according to the D. Lgs. 196/03 on privacy. Personal data processing is undertaken in compliance with Italian Law no. 196/03.

Personal data is processed and handled by e-GEOS S.p.A., registered office at Contrada Terlecchie 75100 Matera- Italy.

Any personal data freely communicated by visitors may be used by e-GEOS in accordance with the consent given by the visitors themselves.

For visitor use of specific services, notification will be provided, and, where necessary, consent will be requested for the processing of personal data.

Access to the site ensures confidentiality of the name of the user, in the sense that no other user can in any way discover what user has accessed the site, what site path that other user has followed, or what information it has obtained from it. The user accepts that its name will be conserved by e-GEOS for the sole and exclusive purpose of constituting a data base of those to whom any subsequent updates or information concerning e-GEOS and the Group may be addressed on written request from the user, e-GEOS will arrange for prompt cancellation of its name from the data base, providing the user with written confirmation thereof.
